The SHARE hour program provides an opportunity for school parents to be involved in the day to day life of the school. It is an obligatory program, but is intended to be an invitation to everyone to become part of the parish community. Hours need to be completed between 1 May 2007 and 30 April 2008 Families are required to contribute at least 30 hours per year for two-parent familes, 15 hours per single-parent families, to "school related" activities. Ten of these SHARE hours must be used toward the Auction (5 if single-parent). Unfulfilled SHARE hour commitments will be billed in May 2008 at a rate of $50/hr for Auction and $20/hr for other SHARE hours.
